

### **Richard Gentle - Bio**

Richard was born at home in The White House... no, not that one – in Gloucestershire, UK in 1961, but has spent most of his life living in Yorkshire. He entered the world with a strong sense of purpose to discover and create.

Polymath, teacher, speaker, and writer – Richard has developed his knowledge and understanding of the metaphysical over many years. Since his first booklet in 1987, 'How We Perform Negative Miracles' – photocopied and stapled together, he has moved to print-on-demand publishing. In 2013, he featured on Constance Arnold's Law of Attraction Radio, 'Think, Believe and Manifest Show' and in 2021 and 2022 he was invited to talk at the online California Seth Conferences.

In 2022, Richard compared three off-world Channels in his book: 'Seth, Abraham, Bashar! – All That You See Is Yourself' which was acclaimed by many, including Andy Dooley (Co-founder of TUT.COM and creator of The Manifestor's Cafe) and Mike Dooley (NY Times bestselling author of Infinite Possibilities).
